All negotiations connected with the Dispute shall be conducted in confidence and without prejudice to the rights of the parties in any further proceedings.

9.3 Where the parties agree that a Dispute would best be resolved by the decision of an independent expert, they will use reasonable efforts to agree upon the nature of the expert required, on the appointment of the expert and, with the expert, the terms of his appointment

9.4 Any person to whom a reference is made under Clause 9.3 shall act as expert and not as an arbitrator and his decision (which shall be given by the expert in writing and shall state the reasons for the decision) shall be final and binding on the parties except in the case of manifest error or fraud.

9.5 Each party shall provide such expert with such information and documentation as the expert may reasonably require for the purposes of forming his or her decision.

22.4 Any person to whom a reference is made under Clause 22.3 shall act as expert and not as an arbitrator and his decision (which shall be given by the expert in writing and shall state the reasons for the decision) shall be final and binding on the parties except in the case of manifest error or fraud.
