12 CONSEQUENCES OF TERMINATION

12.1 On expiry or termination of this Licence for any reason and subject to any express provisions set out elsewhere in this Licence (including Clauses 2.1.2 (Licence Grant/Continuing Licensed Material) and 9 (Continuing Licensed Material)):

12.4 Termination or expiry of this Licence shall not affect any rights, remedies, obligations or liabilities of the parties that have accrued up to the date of termination or expiry, including the right to claim damages in respect of any breach of this Licence which existed at or before the date of termination or expiry.

13 ACKNOWLEDGEMENT AND PROTECTION OF INTELLECTUAL PROPERTY RIGHTS

13.1 Subject to Clause 13.2, the Institution acknowledges that all copyright in the Licensed Material are the exclusive property of the Publisher or its licensors and that this Licence does not assign or transfer to the Institution any right, title or interest in such copyright except for the right to access and use the Licensed Material in accordance with the terms and conditions of this Licence.

13.2 The Publisher hereby acknowledges that any copyright and database rights arising from any computational analysis (including any text mining/data mining) of the Licensed Material referred to in Clause 3.2.9 shall, as between the Institution and Authorised User on the one hand, and the Publisher (and any licensor of the Publisher or other rights holder in the Licensed Materials), on the other, be the property of the relevant Authorised Users or the Institution, as the case may be.

13.3 For the avoidance of doubt, the Publisher hereby acknowledges that any database rights created by the Institution as a result of exercising any rights in relation to Metadata under Clause 3.1.1 or Mounting the Licensed Material as referred to in Clause 9.4 shall be the property of the Institution.
14 REPRESENTATION, WARRANTIES AND INDEMNITIES

14.1 The Publisher warrants to the Institution that:

14.1.1 all intellectual property rights in the Licensed Material are owned by or validly licensed to the Publisher and that the Permitted Use of the Licensed Material will not infringe any intellectual property of any person; and

14.1.2 the content of the Licensed Material is not unlawful.

14.2 The Publisher shall indemnify the Institution (for itself and for the benefit of any Authorised Users) against all liabilities, costs, expenses, damages and losses (including any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and reasonable legal costs (calculated on a full indemnity basis) and all other reasonable professional costs and expenses) suffered or incurred by the Institution or Authorised Users arising out of or in connection with any claim by or action brought by any third party that the access and Permitted Use by the Institution or by any Authorised User in accordance with this Licence infringes the intellectual property rights of that third party.

14.3 In relation to any claim made or action brought to which Clause 14.2 applies, the Institution shall:

14.3.1 promptly give the Publisher written notice;

14.3.2 give the Publisher immediate and complete control of the defence and settlement of such claim provided that the Publisher gives the Institution reasonable security in respect of any liability the Institution may have in respect of such claim or action and any indemnity to which the Institution may be entitled under Clause 14.2; and

14.3.3 give the Publisher all reasonable assistance with the defence and settlement of such claim.

14.4 The indemnity in Clause 14.2 will not apply to the extent that the relevant claim arises as a result of any change, alteration or amendment in any way to any Licensed Material by the Institution or any Authorised User.

14.5 While the Publisher has no reason to believe that there are any inaccuracies or defects in the information contained in the Licensed Material the Publisher makes no representation and gives no warranty, express or implied, with regard to the information contained in or in any part of the Licensed Material including the fitness of such information or part for any purposes whatsoever and, subject to Clauses 14.2 the Publisher accepts no liability for loss suffered or incurred by the Institution or Authorised Users as a result of their reliance on the Licensed Material.
14.6 In relation to any claim or action referred to in Clause 14.2, or any other claim by a third party of which the Institution becomes aware, that the access to or use of any Licensed Material infringes any copyright, the Publisher may at its option and expense, and on written notice to the Institution (and without prejudice to the Institution's rights under Clause 5.6 (Withdrawing Material) or Clause 14.2 (Infringement Indemnity), remove such Licensed Material from the Licensed Material or obtain for the Institution the right to continue accessing and using such Licensed Material in accordance with this Licence.

14.7 Nothing in this Licence shall make the Institution liable for any act by any Authorised User which gives rise to a breach of the terms of this Licence, provided that the Institution did not cause or knowingly assist or condone the continuation of such breach after becoming aware of an actual breach having occurred.

14.8 Except as provided for in Clause 14.1 or 14.2, neither the Institution nor any Authorised User nor the Publisher will be liable to the other in contract or negligence or otherwise for:

14.8.1 any special, indirect, incidental, punitive or consequential damages; or

14.8.2 loss of direct or indirect profits, business, contracts, revenue or anticipated savings; or

14.8.3 for any increased costs or expenses.

14.9 No party excludes or limits its liability under this Licence for:

14.9.1 death or personal injury to the extent it results from its negligence, or that of its employees or agents in the course of their engagement; or

14.9.2 its own fraud or that of its employees or agents in the course of their engagement.

15 **FORCE MAJEURE**

15.1 Without prejudice to Clause 14.2, neither party shall have any liability under or be deemed to be in breach of this Licence for any failure to perform any term or condition of this Licence which result from circumstances beyond the reasonable control of such party, including war, strikes, flood, governmental restrictions, power, telecommunications or Internet failures or damage to or destruction of any network facilities not arising from an act or omission of such party or its employees or contractors (“Force Majeure Event”).

15.2 Each party shall promptly notify the other party in writing of any Force Majeure Event which is causing delay or failure in performance of such party’s obligations under this Licence, or will or is likely to do so, including the date on which it started, its likely or potential duration, and the effect of the Force Majeure Event on its ability to perform any of its obligations under this Licence.
Licence, and use all reasonable endeavours to mitigate the effect of the Force Majeure Event on the performance of its obligations.

15.3 Provided it has complied with Clause 15.2, if a party is prevented, hindered or delayed in or from performing any of its obligations under this Licence by a Force Majeure Event ("Affected Party"), the Affected Party shall not be in breach of this Licence or otherwise liable for any such failure or delay in the performance of such obligations. The time for performance of such obligations shall be extended accordingly.

15.4 If a Force Majeure Event prevents, hinders or delays the Affected Party’s performance of its obligations for a continuous period of more than 60 (sixty) days, the party not affected by the Force Majeure Event may terminate this Licence by giving 14 days’ written notice to the Affected Party.

16 ASSIGNMENT

16.1 Subject to Clauses 16.2 and 16.3, this Licence is personal to the parties and neither party shall assign, transfer, mortgage, charge, subcontract, declare a trust over or deal in any other manner with any of its rights and obligations under this Licence, without the prior written consent of the other party, such consent shall not be unreasonably withheld or delayed.

16.2 If the Institution merges with any other Eligible Body or transfers the whole or part of its activities as an Eligible Body to another Eligible Body, the Institution or successor Institution (as the case may be), and the Authorised Users who were Authorised Users through the Institution, shall be entitled to receive the benefit of this Licence, subject to remaining bound by the obligations under this Licence:

16.2.1 in respect of the Licensed Material, for the remainder of the current Subscription Period; and

16.2.2 in respect of the Continuing Licensed Material, in perpetuity.

16.3 If the Publisher is subject to any merger or acquisition, or if the Publisher or any licensor or other owner of any rights in any Licensed Material relevant to the licences or rights granted under this Licence transfers or grants any rights inconsistent with the Institution’s rights under this Licence, this Licence shall continue in effect, and the Publisher shall procure that any such transfer or grant of rights is subject to the Institution’s rights under this Licence or that the Institution is compensated in such amount as may be fair and reasonable in the circumstances in respect of the loss of any such rights which cannot be preserved for the Institution.

16.4 In any assignment to which the other party has given consent under Clause 16.1, the assigning party shall procure and ensure that the assignee shall assume all rights and obligations of the assigning party under this Licence and agrees to be bound to all the terms of this Licence.
17 GOVERNING LAW AND JURISDICTION

17.1 This Licence and any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with it or its subject matter or formation shall be governed by and construed in accordance with the law of England and Wales.

17.2 The parties irrevocably agree that any dispute arising out of or in connection with this Licence will be subject to and within the jurisdiction of the courts of England and Wales.

18 DISPUTE RESOLUTION

18.1 If any dispute arises out of or in connection with this Licence or the performance, validity or enforceability of it ("Dispute"), the parties shall attempt to settle it by negotiation. Negotiations shall be conducted between the Managing Director (or equivalent position) of the Publisher, or its nominated representative, and the current Vice Chancellor (or equivalent post) of the Institution, or their nominated representative.

18.2 If the dispute cannot be resolved by the parties within one month of being escalated as referred to in Clause 18.1, the dispute may by agreement between the parties be referred to a neutral adviser or mediator (the "Mediator") chosen by agreement between the parties. All negotiations connected with the dispute shall be conducted in confidence and without prejudice to the rights of the parties in any further proceedings.

18.3 Where the parties agree that a Dispute would best be resolved by the decision of an independent expert, they will use reasonable efforts to agree upon the nature of the expert required, on the appointment of the expert and, with the expert, the terms of his appointment.

18.4 Any person to whom a reference is made under Clause 18.3 shall act as expert and not as an arbitrator and his decision (which shall be given by the expert in writing and shall state the reasons for the decision) shall be final and binding on the parties except in the case of manifest error or fraud.

18.5 Each party shall provide such expert with such information and documentation as the expert may reasonably require for the purposes of forming his or her decision.

18.6 The costs of the expert shall be borne by the parties in such proportions as the expert may determine to be fair and reasonable in all circumstances or, if no determination is made by the expert, by the parties in equal proportions.
18.7 Subject to Clause 18.1, except where urgent interim measures are sought, and 18.4, nothing in this Clause 18 shall prevent either party commencing or continuing court proceedings in relation to the Dispute under Clause 21.

20.1.1 committed a Prohibited Act or been formally notified that it is subject to an investigation or prosecution which relates to an alleged Prohibited Act; and/or

20.1.2 been listed by any government department or agency as being debarred, suspended, proposed for suspension or debarment, or otherwise ineligible for participation in government procurement programmes or contracts on the grounds of a Prohibited Act.
20.2 Neither party during the term of this Licence shall offer, give, or agree to give anything, to any person an inducement or reward for doing, refraining from doing, or for having done or refrained from doing any act in relation to the obtaining or execution of this Licence or for showing or refraining from showing favour or disfavour to any person in relation to this Licence.

20.3 Each party shall take all reasonable steps in accordance with good industry practice to prevent fraud by its employees, and the party (including its shareholders, members and directors), in connection with this Licence and shall notify the other party in writing immediately if it has reason to suspect that any fraud is occurring or is likely to occur.

20.4.1 terminate this Licence and recover from the first party the amount of any loss suffered resulting from the termination, including the cost reasonably incurred by making other arrangements for the provision of access to the Licensed Material and any additional expenditure incurred by the other party throughout the remainder of this Licence; and

20.4.2 recover in full from the first party any other loss sustained in consequence of any breach of this clause.

21 **THIRD PARTY RIGHTS**

21.1 Except as expressly provided elsewhere in this Licence, a person who is not a party to this Licence is not intended to have any rights to, and shall not have any rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Licence.

21.2 The rights of the parties to terminate, rescind or agree any variation, waiver or settlement under this Licence are not subject to the consent of any other person, and a person who is not a party to this Licence shall not be entitled to require its consent to any amendment.

22 **GENERAL**

22.1 This Licence and its Schedules and Annexes constitute the entire agreement between the parties and supersede all prior communications, promises, assurances, warranties, representations and understandings and agreements (whether written or oral) relating to its subject matter, but without prejudice to any continuing rights and obligations arising under any prior formal licence agreements between the Institution and the Publisher.

22.2 This Licence may not be amended or modified except by agreement of both parties in writing.

22.3 Nothing in this Licence shall be construed to create any relationship of partnership, agency or employment between any of the parties.
22.4 If any provision or part-provision of this Licence is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to or deletion of a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of this Licence.

22.5 The rights of the parties arising under this Licence shall not be waived except in writing. Any waiver of any of a party’s rights under this Licence or of any breach of this Licence by the other party shall not be construed as a waiver of any other rights or of any other or further breach. Failure by either party to exercise or enforce any rights conferred upon it by this Licence shall not be deemed to be a waiver of any such rights or operate so as to bar the exercise or enforcement thereof at any subsequent time or times.
